General / Introduction

Based on Article 13 of the Swiss Federal Constitution and the data protection provisions of the Swiss Confederation (Data Protection Act, DSG), every person has the right to protection of their privacy as well as protection against misuse of their personal data. The operators of these pages take the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the legal data protection regulations as well as this privacy policy.

In cooperation with our hosting providers, we make every effort to protect the databases as well as possible against unauthorized access, loss, misuse or falsification.

We would like to point out that data transmission on the Internet (e.g. communication by e-mail) can have security gaps. A complete protection of data against access by third parties is not possible.

By using this website, you consent to the collection, processing and use of data in accordance with the following description. This website can generally be visited without registration. Data such as pages accessed or names of files

accessed, date and time are stored on the server for statistical purposes without this data being directly related to your person. Personal data, in particular name, address or e-mail address are collected as far as possible on a voluntary basis. Without your consent, the data will not be passed on to third parties.

Processing of personal data

Personal data is any information that relates to an identified or identifiable person. A data subject is a person about whom personal data is processed. Processing includes any handling of personal data, regardless of the means and procedures used, in particular the storage, disclosure, acquisition, deletion, storage, modification, destruction and use of personal data.

We process personal data in accordance with Swiss data protection law. Furthermore, to the extent and insofar as the EU GDPR is applicable, we process personal data in accordance with the following legal bases in connection with Art. 6 (1) GDPR:

- lit. a) Processing of personal data with the consent of the data subject.
- lit. b) Processing of personal data for the fulfillment of a contract with the data subject as well as for the implementation of corresponding pre-contractual measures.
- lit. c) Processing of personal data for the fulfillment of a legal obligation to which we are subject under any applicable law of the EU or under any applicable law of a country in which the GDPR is applicable in whole or in part.
- lit. d) Processing of personal data in order to protect the vital interests of the data subject or another natural person.
- lit. f) Processing of personal data to protect the legitimate interests of us or of third parties, unless the fundamental freedoms and rights and interests of the data subject are

overridden. Legitimate interests include, in particular, our business interest in being able to provide our website, information security, the enforcement of our own legal claims and compliance with Swiss law.

We process personal data for the duration required for the respective purpose or purposes. In the case of longer-term retention obligations due to legal and other obligations to which we are subject, we restrict processing accordingly.
